

TECHNICAL DATA SHEET

Product Name: Mirror Magic Cleaner RTU

Item Number: H119

DESCRIPTION: This versatile, extra strength product is ideal for the cleaning and maintenance professional. Windows, glass, windshields, mirrors, displays, counters, and more are easily cleaned of dirt, grease, oil, smudges, finger prints, lipstick, and other stubborn deposits. The fortified formula uses advanced surfactant chemistry to provide maximum cleaning power without streaking, smearing, hazing or leaving behind any residue or film. Use this product in Commercial and Institutional Cleaning, Glass Product Manufacturing and Installation, Mirror Manufacturing and Installation, and other applications where "Professional" performance and quality are required. The product is safe to use on most other hard surfaces and materials.

DIRECTIONS: This ready-to-use product may be applied to the surface desired using a hand held trigger sprayer and then wiped with a clean cloth or applied directly to the cloth. Use sparingly. Wipe the surface with product and cloth. Polish out the surface with a second clean wiping cloth. Always be sure to use only quality clean and dry wipers to prevent accidental streaking or reapplication of deposits to the surface.

CAUTION: Do not ingest. If this should occur, drink large volumes of water and seek medical attention. Avoid contact with eyes and skin. If eye or skin contact occurs, flush with water. If irritation persists, consult a physician. Avoid storage of product in freezing temperatures. Keep container sealed when not in use to prevent contamination.
KEEP OUT OF REACH OF CHILDREN.

Container Disposal: Triple rinse container and discard according to local regulations.

Product Specifications:

Classification: Glass/Mirror Cleaner R TU

General Appearance: Liquid

Colour: Clear

pH: Neutral

Flash Point: None
