

TECHNICAL DATA SHEET

Product Name: Clear Lemon 10

Item Number: H220

Description: Fresh lemon scent disinfectant with lingering fragrance. Cleans and deodorizes. This product produces a clear, sparkling yellow solution that brings the delightful fragrance of fresh lemons to your cleaning duties. Use this product in sick rooms, nurseries, restaurants and hotels for general cleaning, disinfecting and deodorizing.

Where to Use: General Disinfecting: Showers, Bathrooms, Garbage and Diaper Pails, Floors, Animal Quarters, Nurseries, Kitchens, Locker Rooms, Laundries and other areas in need of sanitizing and deodorizing.

Deodorizing: Provides excellent deodorizing to areas where damp mopping is done. Deodorize diapers and work clothes. Hospitals and Sick Rooms: Provides thorough disinfection. For Carpets: A good deodorant and anti-static agent. This helps to control mildew and other odor causing molds, used as directed on product label. (Note: It is not intended as a terminal disinfectant for carpeting. Always test in an inconspicuous area before using on carpeting.)

CAUTION: Causes eye and skin irritation. Avoid contact of product with eyes or skin. Avoid contamination of food, in food processing or handling facilities, all surfaces, equipment and utensils must be removed, covered or thoroughly rinsed prior to re-use. To preserve the good deodorizing properties of this product, do not mix with other soaps or disinfectants.

CONTACT: SKIN CONTACT: Wash affected area with soap and water. EYE CONTACT: Flush with plenty of clear water for 15 minutes. Contact physician if irritation persists. KEEP OUT OF REACH OF CHILDREN. Container Disposal: See product label copy for specific information.

Spill Or Leakage Procedures: Do not allow large spills to contaminate sewers, ground or surface waters. Contain spill. Soak up in inert absorbent material. Place in leak-proof containers. Seal & label properly. Dispose of in a lawful manner.

Product Specifications:
