

TECHNICAL DATA SHEET

Product Name: Tile Shine

Item Number: H305

Description: Tile Shine was developed to meet the needs and demands of the market place for safety, without compromising cleaning performance. Tile Shine is a powerful and multi-functional cleaner that combines the high cleaning performance of acids with the mildness of liquid dish soap, making it absolutely safe to surfaces and the environment. This product has no harsh fumes, making it safe as well as biodegradable. Its clinging action allows for a longer dwell time.

Tile Shine penetrates soil and stains while eliminating any offensive fumes from the surface, leaving a clean fresh scent.

Directions:

This product can be used full strength or with the recommended sprayer or foamer. Diluted with up to 25 parts of water, depending on the application, the surface and the severity of the soil. Let stand for a few minutes or longer. Wipe with cloth, sponge or swab and rinse thoroughly with clean water. Spot check hidden area of surface to be cleaned before use on total area.

CAUTION: Harmful or fatal if swallowed. If swallowed, do not induce vomiting. Call a physician immediately. Vapour is harmful. Avoid contact with eyes or skin. Do not take internally. In case of contact with eyes, flush with plenty of water for at least 15 minutes. Get Medical Attention. Contents under pressure. KEEP OUT OF REACH OF CHILDREN.

Container Disposal: In accordance with local regulations.

Spill Or Leakage Procedures: Absorb with suitable medium.

Product Specifications:

Classification: Liquid

Surfactant General

Appearance: Clear Liquid

Colour: Clear

Odour: Pleasant
