

## TECHNICAL DATA SHEET

---

**Product Name: Stainless Steel Cleaner**  
**Item Number: H313**

**Description:** Designed to remove rust, water stains, mineral deposits and residue from food processing equipment. Stainless Steel Cleaner acts synergistically to deoxidize, clean, and brighten dull aluminum and stainless steel in food processing establishments. Also recommended for shower walls, glass shower doors, soap film and lime deposits, enamel paints, stainless steel, copper, brass, chrome and nickel.

**Directions:** Use Straight for: Discoloured grout (between wall tiles), heavy soap and lime deposit, rust stains and heavy grey hard water film.

Mix 1 part cleaner to 2 parts water for: Routine work such as daily care of hotel and motel shower walls, bathtubs, water-basin and drinking fountains or stainless steel or porcelain.

For Bathroom Bowls: Cleaner is safe; won't etch toilet seats or pit metal parts.

**CAUTION:** KEEP OUT OF REACH OF CHILDREN

May cause irritation to eyes, skin, nose and throat. Burns skin, mouth and throat. Avoid contact with skin and eyes. Do not breathe fumes. If contact occurs wash skin or eyes with water. If swallowed drink plenty of water. In all cases obtain medical attention.
