

# TECHNICAL DATA SHEET

---

**Product Name:** Type E Heavy Duty Degreaser

**Item Number:** H335

**Eco Logo Registration #:** CCD-146E

**CFIA Approved**

**Description:** Type E Heavy Duty Degreaser is a heavy duty cleaner that is eco friendly and biodegradable. This powerful cleaner degreaser is designed to loosen grease and grime. When combined with oils, greases, and soils, Type E Heavy Duty Degreaser allows this dirt to be readily rinsed away when flushed with water. This product is useful in cleaning and degreasing automobiles, trucks, tractors, equipment, machinery, manufacturing equipment, stainless steel, tar and asphalt equipment, concrete floors and more. This product may be used on any surface not harmed by water. This product is readily biodegradable and Eco Logo Registered.

**Directions:**

*Heavy Soil:* Dilute 5:1 with water. Spray on to surface and allow to soak 10-15 minutes.

Flush off with water under pressure. Brushing is helpful if soil is very heavy.

*Medium Soil:* Dilute 20:1 with water. Spray on to surface and allow to soak 10-15 minutes.

Flush off with water under pressure.

*Light Soil:* Dilute 40:1 with water. Spray on to surface and allow to soak 10-15 minutes.

Flush off with water under pressure.

**Food Plant:** Dilute as with soil conditions above. After cleaning, rinse all surfaces with potable water.

**CAUTION:**

KEEP OUT OF REACH OF CHILDREN.

**Disposal Directions:** Please rinse container with clean water and dispose in recycle bin.
