

# TECHNICAL DATA SHEET

---

**Product Name:** Emulsi Regular

**Item Number:** H355

**Description:** This product is a heavy duty, emulsifiable solvent degreaser which is composed of petroleum solvents, dispersing agents, emulsifiers, wetting agents, and corrosion inhibitors. This product is intended to be used for the removal of stubborn soils such as grease, oils, dirt, waxes, tar and asphalt. Due to the chemical composition of this product, it may be used as a spray-on/flush off degreaser, as an immersion tank cleaner, or to degrease heavily soiled concrete floors. Automobiles, trucks, tractors, farm equipment, construction equipment, tar and asphalt equipment, motors, metal parts, and any surface not harmed by kerosene may be cleaned and degreased with this product.

**Dilutions:** Heavy Soil: Use product undiluted / Moderate Soil: Dilute with kerosene at a rate of 1 to 4 / Light Soil: Dilute with kerosene at a rate of 1 to 8

**Directions:** According to degree of soil, dilute product as indicated above. Spray or brush on solution to area to be cleaned. Allow to penetrate for 10 to 20 minutes, then flush off with water under pressure. For immersion tank of cleaning of parts, use the same solvent dilution ratios above. Soak parts for 10 to 20 minutes, then flush away soil with water under pressure. For cleaning of concrete floors, spray or mop solution on floor. Agitate with a stiff brush. Flush clean with water. **Note:** This product may soften or damage sensitive paints and plastics. Always test in an inconspicuous area to check product for compatibility.

**DANGER:** Contains Aliphatic Petroleum Distillates. Harmful or fatal if swallowed. Do not take internally. If swallowed, do not induce vomiting. Call physician immediately. Flammable. Use only in a well ventilated area. Do not use near heat, sparks, open flame or other sources of ignition. Do not smoke in use area. Avoid frequent or prolonged contact with skin. Keep container sealed when not in use. Store product in original shipping container. KEEP OUT OF REACH OF CHILDREN.

**Container Disposal:** Triple rinse container and discard according to local regulations.

**Spill Or Leakage Procedures:** Contain spill. Do not contaminate any sewer, ground or surface waters. Soak up spill in inert absorbent material & place in properly labeled non-leaking containers for proper disposal.

**Product Specifications:**

Classification: Emulsifiable Solvent Degreaser/Cleaner

General Appearance: Clear

Color: Amber

Odor: Hydrocarbon/citrus

pH: N/A
