

# TECHNICAL DATA SHEET

---

**Product Name:** BASE-COTE

**Item Number:** H858

**Description:**

Base-Cote is an all purpose acrylic sealer/undercoater for terazzo, concrete, clay tile, grout, brick, rubber, asphalt linoleum, cork and vinyl floors. It protects new floors and restores beauty and colour to old floors. This product seals out soil and stains, stops dusting of concrete and terazzo. It is impervious to oil, grease, acids, alkali, detergents and other materials commonly spilled on floors. Base-Cote makes cleaning fast & easy. Base-Cote should always be applied to a clean dry floor. It is usually best to apply 2 coats for greater protection from stains or spills. Base-Cote is easy to apply.

**Directions:** FOR INITIAL APPLICATION: Thoroughly strip floor of all old seal and/or finishes. Rinse floor thoroughly and let dry for 1 hour. Apply a medium thick film of Base-Cote with a lamb's wool applicator or mop. Rub in well. Allow 1 hour to dry. Apply a second coat and allow to dry. Covers 1500 to 2000 sq. ft. per gallon.

**CAUTION:** Keep Out of Reach of Children. Do not take internally. In case of contact with eyes, flush with plenty of water for at least 15 minutes. Get Medical Attention. Contains Polymer emulsions.

**Spill Or Leakage Procedures:** In Accordance with local regulations

**Product Specifications:**

Classification: Acrylic Emulsion General

Appearance: White Milky Liquid Colour:

White Odour: Ammonia
