

TECHNICAL DATA SHEET

Product Name: Medi-Clean

Item Number: H907

Description: Anti-Bacterial Hand Soap for industrial, institutional or food plant use. A coconut based, anti-bacterial hand and body soap. Ready to use. Gives a very thick, copious lather. Its pH of 9 is very gentle, yet cleans the toughest dirt without drying out the skin. This pure coconut base soap is enhanced to provide the ultimate in gentle, effective skin cleaning.. This product is ideal for persons who must wash their hands several times each day as it will not deplete the natural skin oils which provide protection against chapping and cracking.

Directions: Apply to wet skin and work into a thick lather. Work into soiled areas, then rinse with clear water.

CAUTION: Do not ingest. If this should occur, drink large volumes of water and seek medical attention. Avoid storage of product in freezing temperatures. Keep container sealed when not in use to prevent contamination. Rinse empty container before discarding in an authorized landfill site. KEEP OUT OF REACH OF CHILDREN.

Spill Or Leakage Procedures: Dike, contain and reuse. Small surface films can be washed down the drain.
