

TECHNICAL DATA SHEET

Product Name: Type E Bathroom Cleaner

Item Number: H921

Eco Logo Registration #: CCD-146J

Description: Type E Bathroom Cleaner is a multi-functional cleaner that is safe to use. This cleaner works with the power of an acid but is as mild as a liquid soap. It is absolutely safe to use on most surfaces as well as being safe to the environment. Type E Bathroom Cleaner has no harsh fumes and is scent free, making it very user friendly. This product is readily biodegradable and Eco Logo Registered.

Directions: Type E Bathroom Cleaner can be used full strength or with the recommended sprayer or foamer, diluted with up to 8 parts water, depending on the application, the surface, and the severity of the soil. Spot check hidden area of surface to be cleaned before use. Let stand for a few minutes or longer. Wipe with cloth, sponge or swab and rinse thoroughly with clean water. Type E Bathroom Cleaner penetrates soil, stains & eliminates any offensive fumes from the surface, leaving a clean fresh scent.

CAUTION:

KEEP OUT OF REACH OF CHILDREN.

Disposal Directions: Please rinse container with clean water and dispose in recycle bin.
