

## TECHNICAL DATA SHEET

---

**Product Name:** ADO – Alkaline Drain Opener

**Item Number:** H993

**Description:** ADO is an Alkaline Liquid Drain Opener and Maintainer. It is a powerful, highly concentrated, ready to use product. It is used to clear clogged drains of organic matter, hair, paper, grease and oils. ADO keeps drain lines clear and free flowing and reduces offensive odours. It works by saponification of grease and oil.

**Where to Use:** Cuts through standing water to attack hair, food, grease, paper and lint. Won't harm pipes or septic tanks.

**Directions:** Read all precautions before using.

Clogged Drains: Slowly pour ½ bottle into drain and leave for 30 minutes. Flush with cold water and repeat if necessary. This product will sink through water and directly attack blockage.

Slow Drains: Use 1/3 bottle every 30-45 minutes until clear.

Regular Maintenance: Use ¼ bottle in drain weekly.

**Caution:** Avoid contact with eyes, skin and clothing.

First Aid Treatment: Contains sodium hydroxide. If splashed in eyes or on skin, flush thoroughly with water. If swallowed, give three to four glasses of milk or water. Do not induce vomiting. Call physician immediately.

KEEP OUT OF REACH OF CHILDREN.

### **Spill or Leakage Procedures:**

### **Product Specifications:**

Classification: Liquid Drain Opener

Color: Blue

Odor: None

General Appearance: Clear Liquid

pH: 14.0

Flash Point: Non-Flammable

Shelf Life: One year in sealed container
