

TECHNICAL DATA SHEET

Product Name: Fabric Softener

Item Number: NL 551

Description: Liquid Fabric Softener makes all washables soft and fluffy. Makes ironing easier and helps to eliminate chaffing. Clothes stay fresh, wear longer and wrinkle less.

Aids in elimination of static electricity which stops clinging of clothes to body. Excellent for blankets, sweaters, sheets, towels, pillow cases, lingerie, diapers, work clothes, hosiery and any other washable materials.

Directions: Add 1-2 oz of product to final clear rinse water for a 8 to 10 pound wash. Do not rinse again with clear water or you will rinse out the treatment.

Automatic washers - Do not pour Softener directly on clothes. Complete washing cycle first. Set dial and add softener to repeat final rinse cycle. Always pour softener into water, not on clothes. For machines with automatic dispensers, follow instructions of machine manufacturer.

Container Disposal: Rinse empty container before discarding

Spill Or Leakage Procedures: In accordance with local regulations
