

TECHNICAL DATA SHEET

Product Name: Fri-Kleen

Item Number: W100

Description: This product is designed for rapid and effortless cleaning and removal black baked-on carbon and grease from fryers and grills. Also cleans grease traps, greasy floors and canopy filters. Fri-Kleen leaves no taste and prevents spangling and harm to metals.

This product is approved by the Canadian Food Inspection Agency (CFIA).

Where to Use: Grills, fryers, grease traps, greasy floors, canopy filters and floors. Do not use on aluminum.

Directions: *Grills* – Allow grill 10 to 15 minutes to cool off. Grease receptacle should be emptied before starting to clean grill. Dissolve 2 tablespoons of Fri-Kleen in one pint of hot water. Dip cloth in solution and simply wipe off. For grills with black baked-on carbon, splash on and scrape with a dispatcher. Rinse with hot water and apply fresh grease to avoid food sticking.

Canopy Filters – Pour strong solution of Fri-Kleen through filters and rinse with hot water.

Grease Traps and Interceptors – Flush strong solution of Fri-Kleen down sink at end of day.

Fryers – Drain fryers of all grease, fill fryer with hot water until elements are well covered, turn on heat and bring to a boil. Add 4 to 8 ounces of Fri-Kleen to each gallon of water used. Allow to boil 20 to 30 minutes, depending on how much baked-on grease or carbon to be removed. Then drain and rinse fryer thoroughly.

Floors – Sprinkle over greasy area and mop. Or dissolve 4oz of Fri-Kleen to each gallon of hot water and mop.

DANGER: Avoid contact with eyes, skin or clothing. Wear suitable protective equipment when handling. If eye contact occurs, flush (including under lids) with water for at least 30 minutes. Get immediate medical attention. In case of skin contact, flush with cold water. Use alkaline soap. Get medical attention. Discard contaminated clothing. May be fatal if swallowed or inhaled. Do not take internally. If swallowed, do not induce vomiting. Give large quantities of water. Call a physician immediately. Do not re-use container. Keep container sealed when not in use. KEEP OUT OF THE REACH OF CHILDREN.

Container Disposal: Rinse empty container before disposal in authorized landfill site.

Packaging: 2 KG Jar
20 KG Pail
