

TECHNICAL DATA SHEET

Product Name: Whish Waterless Hand Cleaner
Item Number: W803, W805, W806, W807 and W812

Description: This highly effective waterless hand cleaner gel has been formulated using hard working surfactants, mild solvents and a superior blend of emollients. This product will gently clean the most stubborn soils from skin. Product works equally well when used with water if desired.

Directions: Apply a small amount to the palm of hand. Rub and work into hands until soils liquefy and dislodge. Wipe off with a clean cloth or paper towel, or rinse away with water.

DANGER: Contains aliphatic petroleum distillates. Harmful or fatal if swallowed. Do not take internally. If swallowed, do not induce vomiting. Contact a physician immediately. KEEP OUT OF REACH OF CHILDREN.

Container Disposal: Triple rinse container and discard according to local regulations.

Spill Or Leakage Procedures: Pick up with shovel and place in container. Flush area with water.

Product Specifications:

Colour: White

Odour: Cherry

Appearance: Gel

Shelf Life: One year in a sealed container
